Correspondence ending with Chief Engineer's No 7101/E dated 4-7-1946 from the Chief Engineer for Irrigation.

Requests sanction to the grade pay of the Sanitary Inspector attached to the Chamarajasagar and Water Works, Mippagundenahally, being revised from Rs 30-2-50 to Rs 35-2-55-4-87.

The reason for the revision of the scale is stated to be to confirm to the scale of Sanitary Inspectors prevailing in the P. H. dept and to make an interchange of hands if and when necessary ~~if possible~~. The extra cost involved is Rs 19½ p.m. or Rs 232 per annum as per proposition put up. The cost is debitable to the A.R. estimate of the Water Works.

2. The proposal requires financial Concurrence — the present incumbent (Mr Sri J. Thirumalachar) is stated to be a qualified hand, with a service of 14 years and drawing a pay of Rs 50 (in Rs 30-2-50) from 1.4.1941—

3. The proposal may be sanctioned.

4. Consult D.P.H. reg. the qualified nature of Mr. Thirumalachar & the grade paid in the Health Dept for Inspectors so qualified.

5. For fact of remarks

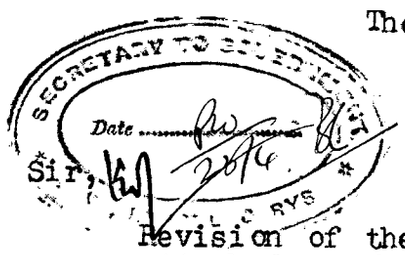
Office of the Chief Engineer for
Irrigation in Mysore,
Dated Bangalore, 18th April 1946.

To 1st Class in Duplicate.

The Secretary to Government,
Public Works Department,
Bangalore.



Sir,

Revision of the grade pay of the Sanitary Inspector attached to the Chamarajasagar & Water Works, Thippagondanahalli.

I have the honour to state that in Government Order No. 2332/S dated 25-3-1933, sanction has been accorded for the entertainment of a Sanitary Inspector in grade Rs. 30-2-50 at Thippagondanahally. Mr. M. J. Tirumalachar, a qualified Sanitary Inspector was appointed in this vacancy and he is continuing as such.

2. The usual grade pay of Sanitary Inspectors in Public Health Department is Rs. 35-2-55-4-87. Mr. Tirumalachar though fully qualifie for the post is denied the benefit of this grade as the post attached to the Water Works carries only a grade of Rs. 30-2-50. Mr. Tirumalachar has put in a service of nearly 14 years and is drawing the maximum of Rs. 50/- from 1-4-1941 and is now stagnating without promotion. His work is reported to be very satisfactory.

3. The Director of Public Health who was consulted in the matter of absorbing this official in the general cadre of Sanitary - Inspectors of the Public Health Department, has stated that the grade pay of the appointment has to be revised to be in conformity with the existing grade in his Department.

4. To enable Mr. M. J. Tirumalachar, being absorbed in the Public Health Department for which he is eligible by virtue of his - qualification and good record of work, I request that sanction of Government may kindly be obtained and communicated to revise the grade pay of the post of Sanitary Inspector attached to Chamaraja-sagara & Water Works from Rs. 30-2-50 to 35-2-55-4-87.

C. O.,
